PRESIDENT'S MESSAGE

I would like to thank everyone for attending this amazing event. We wouldn't be able to offer the exceptional programs that we do without your support. We hope that you have had a great time and we encourage you to continue to check our website www.biaww.com for more information on our upcoming events.

I would also like to thank each of the committee members and the board of directors for working hard on our 6th Annual Mid-Winter Golf Classic.

All proceeds from the event will be used to support the many programs that are offered through our day program at the Opportunity Centre, some of which are our very popular music program, our glass program and our educational programs.

Again, thank you for your support.
