Welcome to STONEHOUSE girl ~ Country Strong ~

STONEHOUSE girl is your home stay - away from home. We offer more than a bed and a breakfast. Our approach is to provide an environment that inspires your core creativity, gives you peace of mind and time to just be. A Country Strong house to renew your energy and eat really well. Our breakfasts are robust and made with love, using as many local foods as possible. A place to stay while attending an occasion, a wedding, anniversary or simply a retreat from your day to day routines. Sit by the Clyde River on our stone terrace and enjoy our 4pm wine and tea time. We use our own hand made Charcuterie Boards from Master Craftsman Fred Buffam. An array of cured meats, local cheeses, paté, fruit chutneys, olives, heart of palm and whole grain mustards are a lovely companion to nibble on while enjoying a glass of wine under the Black Walnut tree.

During your stay we want you to feel at home and find as much pleasure being here, as we do. Our guarantee is that you will experience a superlative product and a memorable experience.
